

WHAT'S YOUR NEXT *STEP?*

AT YOUR CHURCH

Leaders

Inspire your leaders. This includes your staff and elected officials. Share your vision to increase tithe and missions giving. Who are the first five people that come to mind that you need to inspire? Write their names down and send them a text right now to find time to get together.

List

Get a vision for your project list. Where do you feel God is asking the increased giving for missions to go? Make a list of the project names and why you feel God is leading your church to support them. Then, make a list of what you need to do to connect with those potential project partners.

Language

Start changing your language. You do not need to call it Kingdom Builders. Choose what is right for your church and then inform your staff that you are shifting the internal language.

Launch

Pick a date to launch and then launch strong!
